There are designated parking areas that will be filled on a first come first served basis. When these are full, please park respectfully in the village streets.

Please follow the directions of the parking marshals and signage instructions when parking.

ROUTE MARKINGS, MARSHALS & GPX

The route is fully marked to Wildrunner standard with an A4 red arrow on a yellow background at **every junction or turn**. After every sign there will be an orange marker flag confirming the turn. There will be orange marker flags between signs. **At course splits** there will be distance specific boards - i.e. a sign board that reads XL, LONG or SHORT.

Wildrunner marshals are in **YELLOW WILDRUNNER BRANDED BIBS**, do not follow any direction from any other 'marshal'.

For the GPX files, just head to the [routes page here](#), select the appropriate route 'Map & profile' and then 'send to device'.
